LIGHT IS OUR PASSION

An enthusiasm that connects us with all those who want to show magical light moments to the world. To achieve this, we create innovative, user-friendly and performance-based lighting solutions that allow more people to visually express their ideas and emotions and share unforgettable moments with each other.

OUR MISSION IS TO
CONNECT AND EMPOWER
ALL LUMEN BEINGS
AROUND THE WORLD.

WHO WE ARE

With more than a decade of experience, today Cameo Light is a leading company specialising in cutting-edge lighting technology for stage, entertainment, and architectural applications.

Empowering creativity with extensive product range of high-quality indoor and outdoor, static and moving fixtures, effects, and control systems.

Trusted by professionals worldwide with global presence in more than 100 countries.

Continuous innovation and product testing with own dedicated Research and Development and advanced testing facilities based in Germany.

Ensuring product quality and reliability with two-level manufacturing quality control process.

Committed to partnerships by offering extensive support in marketing, sales, and technical assistance to ensure your success.
